2 Editable Sections

- **First Section** – Snippet: **Column Content**

✏ Column Content

ARCHITECTURE, A.A.

Do You Have a Passion for Architecture?

Would you like to plan and design new buildings and spaces, or work on the restoration and conservation of existing buildings? If you're interested in a career in architecture, architectural technology or interior/spatial design, our professors will help you develop highly desirable, creative, visual and technical skills.

This transfer track is designed to prepare students for entry into a Bachelor's program in Architecture at the Florida university level. Students should be familiar with the admission requirements of the university they plan to attend.
