## **SGA 2022-2023 Elections Are Right Around the Corner!**

*By Sophie Theiss, SGA President*

Are you interested in being a leader for student life and activism on campus? Here is an opportunity for you! Every year the Student Government Association hosts elections to elect the Executive Board officers for the following school year. SGA is in charge of an array of things on campus like government, activities & events, budgets, state-wide conferences, activism, clubs & organizations, and so much more! This is a great opportunity that helps your fellow classmates with what you can bring to the table and provides experience for your future career.

# SGA 2022-2023 Elections Are Right Around the Corner! cont.

*By Sophie Theiss, SGA President*

The Elections Committee is currently deciding on the specific positions that will be offered, but President, Vice President, Secretary, and Events Coordinator at a minimum will be open for election. Not interested in running for a position, but want to help in the Elections Committee? Send me an email at [sga.president.gcsc@gmail.com](mailto:sga.president.gcsc@gmail.com) and join the team!

## SABA to Host 1st Annual Spring Equinox Masquerade Ball

*By Rebecca Starke, SGA Internal Affairs Liaison*

The Student Activities Board Alliance (SABA) would like to announce the 1st Annual Spring Equinox Masquerade Ball on March 24th from 6PM - 9PM on the 3rd floor of the Advanced Technology Building. There will be a live DJ with light snacks being served as well! RSVP is required for this event. Admission is free to students of GCSC and FSU with a valid student ID. The link to RSVP will be posted soon, so be on the lookout! For further information, please contact [sga.internalaffairs.gcsc@gmail.com](mailto:sga.internalaffairs.gcsc@gmail.com) or [sga.treasurer.gcsc@gmail.com](mailto:sga.treasurer.gcsc@gmail.com).

## Club Spotlight: Pep Club!

Hello GCSC, We are Pep Club! Our mission is to spread school spirit and support all student divisions, such as Athletics, Visual Arts, Nursing, etc. Throughout the semester, stay tuned for the raffle that is for all students and staff, as well as some other events that we have planned. We are currently looking for members to come and join our club and promote school spirit. Club meeting times are at 2:30 PM on Tuesdays, SUE 22, next to the info desk on the left. Our President is Brandon Suitt, who is returning to Florida State University to pursue a Master's in Law Enforcement Intelligence, after receiving a Bachelor's in Psychology in May 2021. Our Engagement office is Tyler Dyer, who is currently studying Psychology as well as an employee for Student Affairs. Our Vice President is Karen Morris, aka DJ Hello Karen, who is a Digital Media major with her own radio show. We hope to see you at events and meetings, showing your school spirit.

As Always, Go Commodores.

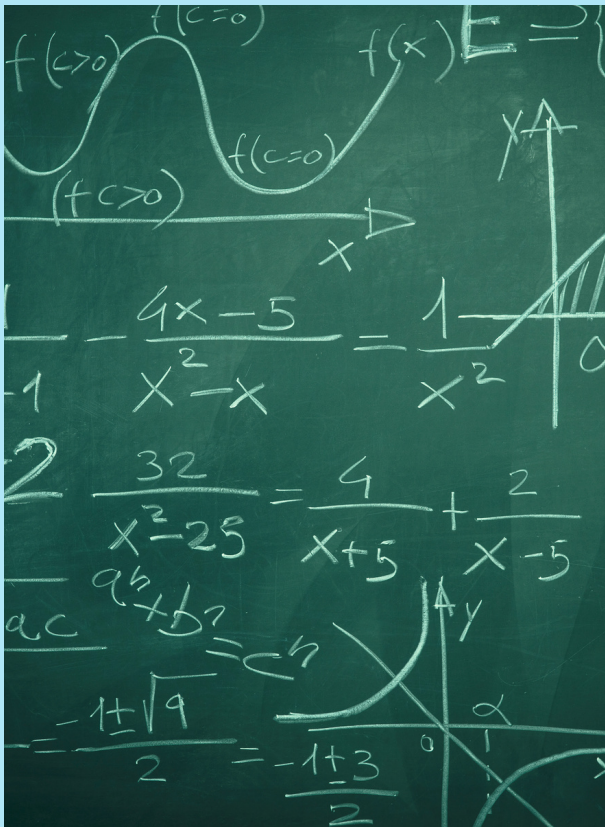

# In Need of Valentine's Day Love & Friends?

*By Amanada Tolliver, SGA Events Coordinator*

Valentine's Day is coming up! Are you new to the area or having trouble making friends? SGA's Speed Dating event could be the perfect occasion for you to connect with new people and make some new friends. Speed dating will be on Friday, February 11th from 5PM to 7PM in the SUE Cafeteria. Come out and enjoy some good company, and maybe even make a new friend or two! There will be no short supply of snacks, drinks, and good conversation. We are looking forward to seeing you at Speed Dating!

# Need Some Help in Your Math Classes? Free Tutoring is Available!

*By Dr. Kelli Walsingham, Dean of Student Life*

Need a Little Extra Free Help in Math? Did you know Gulf Coast has a Math Tutoring Lab? The Math Lab, located in Student Union West, Rooms 260 and 261, offers free tutoring in a positive and relaxed environment for any Gulf Coast State College student enrolled in the following Mathematics Division courses: Developmental Arithmetic with Algebra, Intermediate Algebra, College Algebra, Trigonometry, Pre-Calculus, Calculus I, Statistics, Math for Liberal Arts, Survey of Mathematics and Math for Health-Related Professions.

Students may come in-person during operating hours without an appointment. In addition to in-person tutoring, the Math Lab offers online tutoring and can be accessed through Zoom by the link provided in their Mathematics Canvas course. The Math Lab also provides TI-83/84 calculator support, myMathLab support, and computer and textbook usage while in the Math Lab.
