Completing this AA option will not result in eligibility to sit for the licensing exam to become a registered respiratory therapist. Please refer to the AS degree option for Respiratory Care should that be your goal at Gulf Coast State College.

• General Education Core. Students must complete at least one identified core course in each area of study—Communications, Humanities, Mathematics, Natural Sciences, and Social Sciences—as part of the general education course requirements.

+ Prerequisites and/or corequisites required. See course descriptions.

* Minimum grade of "C" required.

@ Civic Literacy.
